## Digging Deeper

1. What is the most pressing need in the contemporary church of the Western world? Defend your view.
2. How would a deeper knowledge of God address all the answers given to #1?
3. How are our prayers like and unlike the prayer we find in Colossians 1:9-14?
4. How can you use Paul's prayer as a model/pattern for your prayers for yourself and others?
5. List the positive and negative things you've learned by listening to others pray.
6. Put into practice what you've discussed by praying for each other.
