

Why does he seem so _____?

Why do I feel his _____ when I need him most?

God is _____.

Digging Deeper

1. Describe a time in your life when God seemed distant. As you look back on that time now, can you identify ways that God was closer than you thought?
2. God is both transcendent (extremely big) and immanent (extremely personal). What do you consider the most striking examples of these attributes from Psalm 139?
3. How does Psalm 139 change your view of God and your view of yourself?
4. Pray Psalm 139:23-24 then sit in silence and listen. You may want to record what you hear in a journal or share it with someone.
