Colossians 3:21-17
(pg 903)

Digging Deeper

We rise to the level of _____.

1. What God _____ in relationships: Christ-_____ (v.12-14)

2. What we can _____ in worship: Christ-_____ (v. 15-17)

I am so grateful for...

1. Read Colossians 3:12-14. Take a moment to think about each virtue we are to put on. What sort of action would make each of them come true in your life?

2. How were these virtues displayed in Jesus' life? Recall examples of how he lived out the reality of these virtues.

3. Read Colossians 3:15-17. Using only what you find in these verses, describe what should happen when the body of Christ gathers for worship.

4. How would it change your life if you asked yourself at each significant decision, how can I do this "in the name of the Lord Jesus"? Try it for 1 day or 1 week. Special note: Don't aim for perfection. Focus on the outcome of the conversation with Christ.

5. Reflect on the theme of thankfulness found in verses 15-17. Then write a thank you note to someone.
